

Book Jacket Book Report

Book Jackets

Due Date:

You will be making a book jacket to represent your book. The following items need to be included on the book jacket.

Cover: (10 points)

You need to draw a picture that illustrates or represents something from the book. You also need to include on this cover the title and author of the book.

- The cover could be hand drawn and colored or done on the computer using Tux Paint or drawing, but **you cannot use clip art**. The other information could be typed on the computer or hand written in ink.

Inside front flap: (15 points)

You will be writing a description of the main character and two other important characters in the book.

Inside back flap: (5 points)

You will be writing about the setting and the main problem of the book.

Back of cover: (10 points)

You will be writing a summary of the book that should be 150 to 200 words long.

- Please make sure you proofread for spelling, grammar, and punctuation mistakes before handing this in.

You will also be receiving points for the neatness of the book jacket and the use of correct spelling and grammar.
