Family Wellness Night

Mrs. Carlton received a grant for a fun, family wellness night. The event is planned for May 12 from 3:00-4:30 at Runion Park. Come join us for fun games, a smoothie station and a garden tour. A healthy snack bag and dinner supplies will be sent home with each family.

Celebration of Faith

Thank you so much to all of those who came to the Celebration of Faith. Your generosity means so much to our staff and students. Because of you, we are able to provide great opportunities for our students!

It is hard to believe it is already May! We are in full celebration mode this month! Next week, we will celebrate our teachers with Teacher Appreciation Week and are also planning D.A.R.E. Graduation for our 6th grade students. We are looking forward to Preschool Graduation and to honor the contributions of our 8th grade students during their graduation as well. There is so much to be proud of and thankful for during the past school year. Our students have learned to be courageous, to persevere and to find joy in all things. Thank you for trusting us with your most precious gift. It is a blessing to see their growth throughout the school year!

We have baby chicks! You can't help but feel the excitement as you walk past the kindergarten room and hear all the little chirps! We have 9 little chicks hatched so far - more coming very soon!

8th Grade Career Week

The 8th grade students participated in Career Week at the NH Middle School. They listened to various speakers from local businesses, filled out applications and participated in interviews. Each interviewer chose a student they felt best fit the job qualifications - Caleb Rochford was a winner from our school!
