

# The Mass: More than Meets the Eye

The better we understand this celebration, the more meaningful it becomes.

~What is the meaning to what we hear, say, and do at Mass?

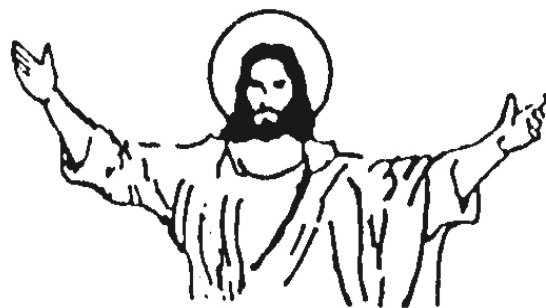

~Can we "altar" our mindset so we enter the Mass prepared, participate with sincerity, and exit with purpose?

~These sessions may provide the answer every Catholic household has been waiting for to the age-old question: "Why do I have to go to Mass?"

All are welcome to attend the first of four sessions to help us better understand the Mass, the source and summit of our Catholic faith.
